

SDG 1 – No Poverty

Offering free or lowcost tech education to women in lowincome communities, creating pathways to financial independence.

SDG 4 – Quality Education

AI-powered, multilingual learning adapts to each woman's pace and accessibility needs.

SDG 5 – Gender Equality

Empowering women and gender-diverse learners historically excluded from tech careers.

SDG 7 – Affordable and Clean Energy

Promoting remote, digital-first education that minimizes environmental impact and commuting costs.

SDG 8 – Decent Work and Economic Growth

Strategic alliances with universities, funders, and grassroots organizations amplify global impact.

SDG 9 – Industry, Innovation and Infrastructure

Building a scalable, inclusive edtech ecosystem using AI and accessibilityfirst design.

SDG 10 – Reduced Inequalities

Prioritizing access for women who are disabled, neurodivergent, racialized, and economically marginalized.

SDG 17 – Partnerships for the Goals

Forming alliances with universities, funders, NGOs, and grassroots groups to expand impact globally.
